MAKING A DIFFERENCE: 2022 BCLP PRO BONO REPORT

Aug 01, 2023

Making a real and lasting difference to the communities in which we work is one of our core values at Bryan Cave Leighton Paisner. Toward that end, we feel we have a special obligation to use our professional skills to address the needs of the underserved and to advocate for the protection of human rights, civil rights and liberties, and public rights.

In 2022, our lawyers and other fee earners contributed thousands of hours to hundreds of pro bono matters, including some that generated publicity and awards. In all cases, we were humbled to provide pro bono assistance that was essential to our clients and their unique legal needs. [Our 2022 report highlights some of that work.](#)
