BIOGRAPHY

Henry advises French and overseas-based property companies, real estate investment funds and developers on investing in and developing the full range of real estate projects. His activity encompasses all type of real estate assets including residential, offices, industrial assets, warehouses, shopping centers, hotels, private healthcare facilities and more.

Henry handles all aspects of these transactions, and offers clients recognized experience in corporate real estate, structuring (regulated or unregulated real estate funds), joint ventures, acquisitions/disposals, developments & construction, leasing and asset management.

He routinely advises real estate investors and developers on financing their projects (senior and mezzanine debt financing).
