Delivering high-quality work on our clients' prestigious and complex mandates has seen BCLP earn a reputation as a 'go-to' international law firm for more than 200 Israeli/Israel-related corporates, financial institutions, family offices and their advisers across a wide range of sectors (including aviation, banking/financial services, energy, food & beverages, hotels, infrastructure, real estate, shipping, technology and water).

The work undertaken includes M&A and corporate finance, capital markets and securities, commercial, banking/finance, litigation and arbitration, IP, employment and real estate.

We have a representative office in Tel Aviv which works closely with the firm's Israel virtual desk to support business development, enhance client relationships and provide a touchpoint for the Israeli market. The representative office provides us with the on-the-ground business support needed to further consolidate BCLP's position as the "go-to" international law firm for Israel-related legal advice.

Chambers Global ranks BCLP 'Band 2' in Israel for Corporate/M&A (International Firms) and describes the practice as a "multinational full-service firm which provides robust legal advice," and who provide an "excellent service with no stone left unturned." Recent client comments mention "their work and ability to liaise with Israeli counsel is second to none," and describe members of the team as "extremely knowledgeable on many fields of corporate law," and "very attentive, prompt and always available," and recognize us for giving "great advice and find[ing] creative solutions to problems,"

Our Israel virtual desk is based in our London office, and works closely with local counsel. Neither the BCLP Group nor any of the lawyers in our Israel virtual desk practice Israeli law. For further information, please see our legal notices.

### London: The Optimum IPO Venue for Israeli Growth Companies

For the vast majority of Israeli and Israel-related companies considering an IPO, London should continue to be the venue of choice. London has greater access to capital and liquidity than the Tel Aviv Stock Exchange and lower barriers to entry than US markets, as well as greater opportunities for index inclusion. The common narrative in the media that valuations in US capital markets are superior does not fully reflect the reality. While some of the largest and most successful companies have achieved attractive valuations in the US[1], a US IPO is realistic only for the very largest Israeli private companies. Furthermore, for the vast majority that have chosen this route in recent years, post-IPO share price performance has been extremely disappointing. Whilst the geopolitical situation for Israeli and Israel-related companies is currently challenging, we expect that, once the situation stabilises, there will be increasi...
