BIOGRAPHY

Cassie is a senior associate in the Real Estate Disputes Group, based in Manchester with over six years of experience in respect of a wide range of real estate matters, including contractual interpretation, development disputes and neighbourly issues, with a particular focus on landlord and tenant issues, and asset management.

Cassie's practice includes advising a broad spectrum of real estate sector clients, including developers, institutional and investor landlords, and commercial tenants, particularly within the retail, office and hospitality sectors, on a variety of contentious or asset management issues. She regularly advises on break notices and conditions, dilapidations, arrears recovery, enforcement of lease or other contractual covenants, property-related insolvency, business lease renewals (opposed and unopposed) and strategic vacant possession advice.
