T: [+33\(0\) 1 44 17 77 21](tel:+33(0)144177721)

## **BIOGRAPHY**

Rémi focuses his practice on competition and distribution law, before the French Competition Authority, the European Commission and French and European Courts.

He advises domestic and international clients on a range of competition and distribution law issues including merger control, cartels, abuses of dominant position, restrictive practices, competition and commercial litigation (in particular follow on actions), as well as regulatory matters.

He has a very good knowledge of the telecom and media sector.

**Foreign Direct Investment: key recent and future developments in Europe and the US**

At a time of significant geopolitical challenges, many jurisdictions are looking at their investment screening regimes to ensure that they can adequately safeguard national security and public order. Within this context, there have been – or will likely soon be – significant changes to FDI regimes across the world. In this article, BCLP's experts in Brussels, Hamburg, London, Paris and Washington DC explore current or forthcoming amendments to the FDI regimes in France, Germany, the United Kingdom, the United States and the European Union.

## **The EU's Foreign Subsidies Regulation Goes Live as the European Commission Finalises the Notification Requirements for Businesses**

The EU's Foreign Subsidies Regulation (FSR) entered into force on 12 July 2023. Its M&A and public procurement notification regimes will go live on 12 October 2023. On 10 July 2023, the European Commission (Commission) adopted its final version of the FSR's Implementing Regulation alongside the template notification forms. This gives further information on how the FSR regime works in practice, and specifies the information that must be included for mandatory M&A and public procurement notifications. We have written previously about the FSR regime at the beginning of 2023. This article looks at the new FSR regime, and what this means in practice for those doing business within the EU.
