PROTECTING YOUR POSITION - COVID-19 DISPUTES IN THE UK

Apr 16, 2020

SUMMARY

The COVID-19 pandemic is causing commercial and contractual issues across sectors. Whilst organisations are busy dealing with urgent issues day to day, it will take some time for issues and concerns to crystallise into disputes for court or arbitration. It is prudent now to think about both how to manage in the short term, but also the impact which today's decisions might have on a longer term outcome for disputes which might emerge. BCLP's Commercial Disputes team has created a quick reference guide to a number of key considerations to help you protect your position in case you need to make a claim or defend proceedings.
