PARIS PARTNERS AUTHOR ARTICLE IN 'LES PETITES AFFICHES' ON STATE SUPPORT FOR BUSINESSES

Jul 02, 2020

BCLP Paris Partners Julie Catala Marty, Rémy Blain and Jean-Pierre Delvigne authored an article published July 1 by *Les Petites Affiches* concerning the types of support that states can provide to businesses in times of crisis. Their article covers both the legal framework applicable to state nationalizations of private businesses and the EU state aid rules that may apply to some forms of state support. The publication focuses on how these legal frameworks have been temporarily adapted to provide much-needed assistance to businesses facing the COVID-19 pandemic and presents the French aid schemes already approved by the European Commission.
