FIRM HIGHLY RANKED BY ISRAELDESKS 2021

Apr 28, 2021

International law firm BCLP is recognised for the third consecutive year by *IsraelDesks* as having one of the most active and well-recognised Israel Practices of any international law firm.

IsraelDesks is published each year by Nishlis Legal Marketing, which researches and ranks the Israel desks of international law firms advising Israeli and Israel-related companies on a wide range of practice areas, including M&A, banking and finance, real estate, litigation and IP. The rankings also recognise individual practitioners based outside Israel who take a proactive, instrumental and hands-on role with respect to Israel.

This year, BCLP is recognised as a leading firm in a number of practice areas by deal or case volume for Israeli and Israel-related clients, including:

- **Top 3** by M&A deal volume
- **Top 5** by litigation case volume
- **Top 6** in real estate deal volume
- **Top 7** by banking and finance deal volume
- **Top 10** by capital markets deal volume

Additionally, *IsraelDesks* recognised M&A and Corporate Partner Jonathan Morris as a Leading Individual for his work advising Israeli and Israel-related companies over the past year. Co-Chair of BCLP's Israel Practice, Morris is one of only five lawyers awarded this title by *IsraelDesks* globally. This is the third year in a row he has been recognised with this honour.

With deep ties and experience in the area, Bryan Cave Leighton Paisner has earned a reputation as a "go-to" international law firm for more than 200 Israeli and Israel-related corporates, financial institutions, family offices and their advisers. The firm has an in-depth knowledge of the cultural and legal considerations of Israel's business landscape across a wide variety of sectors, including aviation, banking and financial services, energy, food & beverages, hotels, infrastructure, real estate, shipping, technology and water.

BCLP's representative office in Tel Aviv works closely with the firm's Israel Practice to support business development, enhance client relationships and provide a touchpoint for the Israeli market. BCLP is recognised as a leading firm for Israel-related corporate M&A and capital markets work by Chambers Global, and a number of individuals in the team are recognised for their work advising Israeli and Israel-related companies.
