BIOGRAPHY

Kathinka is an associate in BCLP's real estate team.

She is experienced in advising national and international investors, banks, asset managers, insurance companies and project developers on all real estate related aspects of law, including but not limited to real estate transactions and project developments.

Kathinka studied at Freie Universität Berlin. Before joining BCLP in 2021 she worked as a research assistant and trainee lawyer for different well-known international law firms, among others in the real estate and dispute resolution departments.
