DARIC QUOTED BY OPTION FINANCE IN ARTICLE ON THE RELATIONS WITH THE TAX ADMINISTRATION

May 27, 2021

Quote from Christine Daric, a tax law partner of BCLP's Paris office, in the [Option Finance](#) article "[Tax administration - A relationship of trust: trying it is adopting it](#)".

Christine Daric refers in particular to the still very unpredictable response time from the tax authorities on the request of technical confirmations, which creates a degree of legal insecurity for companies despite the government's desire to facilitate relations between companies and the tax authorities.
