BIOGRAPHY

Aaron Lang counsels clients in corporate transactions. He has significant experience in mergers and acquisitions, representing public and private companies in domestic and international mergers, stock and asset acquisitions, dispositions and carve-out transactions, as well as private equity investments, reorganizations, joint ventures and corporate governance matters. In addition, Mr. Lang also provides counseling to startup companies, as well as institutional investors with respect to alternative investments. When approaching a transaction, Mr. Lang partners with his clients to understand their business concerns and objectives and makes these a priority throughout the course of the transaction.

Mr. Lang is also a Certified Public Accountant and, prior to joining the firm, practiced at a Big Four firm where he provided auditing, consulting and tax services to global corporations.

CLIENT STORIES

Aaron advised [American Electric Power \(AEP\)](#), one of the USA's largest electricity producers, on the acquisition of a significant portfolio of operating wind farms and development projects spanning seven states. BCLP's solution helped AEP get this \$1.05 billion deal over the line and take a major step towards achieving its renewables goal.
