UNDERSTANDING ENVIRONMENTAL LIABILITY AND COMPLIANCE ISSUES IN TRANSACTIONS

10th and 24th November

BCLP is delighted to announce the next set of sessions in our environmental webinar series, Understanding environmental liability and compliance issues in transactions, which explores how to approach a series of key environmental legal issues that arise in transactions involving real estate.

Wednesday 24th November – 3pm: Chemicals regulation and emissions trading post Brexit

Here we will look at two areas where there have been important changes to UK environmental law as a result of Brexit, namely the regulation of chemicals and greenhouse gas emissions.
