# BCLP ACTS FOR ARTLIST ON ACQUISITION OF SHARES IN FXHOME

Jul 19, 2021

International law firm BCLP has acted as UK counsel for Artlist on its acquisition of FXhome, a UK leading developer company in the video and image software industry. Artlist is an Israeli-based leading creative technology company which provides content creators with more than 820,000 digital assets.

The transaction brings together two complementary businesses and allows Artlist to provide a more holistic offering – inclusive of video VFX and image editing software – toward becoming a 360 solution for the next generation of content creators.

The multidisciplinary BCLP team comprised Jonathan Morris and Xolani Ntamane (M&A and corporate finance), David Dennison (pensions and benefits), Adam Lambert and Lydia Moore (employment), and Michael Langan (tax).

Partner Jonathan Morris commented: “BCLP is delighted to have advised Artlist on the acquisition of FXhome, its first in the UK. Adding high-quality creative assets and professional editing tools to its already extensive offering allows Artlist to take another step toward becoming a one-stop shop solution for content creators.”

The international Israeli law firm Meitar Law Offices advised Artlist on matters of Israeli law through its offices in Israel and New York.
