# BCLP LAWYERS WRITE FOR 'PBC TODAY' ON UK PLANNING REFORM AND ENVIRONMENTAL OBJECTIVES

Jul 20, 2021

Partner Christian Drage and Knowledge Development Lawyer Clare Eccles have written an article for *PBC Today*, *first published 19 July*, taking a look at the UK government's much-anticipated planning reforms. The reforms are principally designed to speed up the planning system and boost development. Drage and Eccles use the article to explore if these measures will affect current environmental protections and obligations and ask if these competing interests can work collaboratively or whether collision is inevitable.
