### **BIOGRAPHY**

Jonathan is a Senior Associate in the firm's Corporate and Finance Transactions practice group, where he has acted for a diverse array of multinational corporates, financial institutions and public bodies.

Jonathan has deep experience across various types of debt financing, including general corporate finance, leveraged finance, infrastructure finance and debt capital markets. This breadth of experience allows him to provide clients with holistic advice and tailored legal solutions. He has worked with clients across sectors, including leisure & gaming, retail and digital security, to navigate complex deals within often demanding deadlines.

Jonathan takes a deal-centric approach focussed on achieving the best results for clients. He excels in collaborating with other parties to ensure that projects are completed efficiently and effectively.

Prior to working at BCLP, Jonathan gained valuable experience in a leading offshore corporate and finance transactions practice.

He graduated from Cardiff University with a B.A. in History and Ancient History and completed his graduate diploma in law at BPP University.

### **Issuance of Reverse Yankee Bonds remains active**

The sale of Reverse Yankee bonds by prominent US issuers – often with higher credit ratings – has recently continued at a rapid pace. Reverse Yankee bonds are debt securities issued by US issuers that are denominated in a foreign currency, frequently in euros or sterling. The Reverse Yankee bond market offers US issuers additional ways of obtaining debt financing on favourable terms. Prominent US companies that have tapped the Reverse Yankee bond market in 2023 and year-to-date 2024 include Honeywell International, Becton, Dickinson and Company, AT&T, Proctor & Gamble, Paccar, Caterpillar, insurance companies New York Life and Pacific Life and automobile makers Ford Motor, American Honda and Toyota Motor Credit Corp.
