BIOGRAPHY

Rick Miller provides his clients practical business advice to navigate challenging legal issues. Although his primary role is as a business advisor, his legal practice concentrates on mergers and acquisitions and corporate finance, as well as corporate compliance in general and corporate governance in particular. As such, Rick has extensive experience representing public and private corporations and real estate investment trusts (REITs) in connection with complex acquisitions, dispositions, restructuring and joint venture transactions. Rick also advises boards of directors regarding strategic planning, anti-takeover defenses and best practices in corporate governance. He has significant experience representing boards of directors and special board committees in connection with significant corporate transactions, complex related party transactions, disputes with major shareholders, solicited and unsolicited change of control transactions and corporate governance matters generally. Rick also has significant experience in representing both corporations as well as activist shareholders in proxy contests and governance disputes.
