

CORONAVIRUS STATUTORY SICK PAY REBATE SCHEME – UK ONLINE SERVICE TO BE LAUNCHED ON 26 MAY 2020

May 19, 2020

Today, the UK government announced that a new online service will be launched on 26 May 2020 for small and medium-sized employers (with fewer than 250 employees) to recover Statutory Sick Pay (SSP) payments they have made to their employees.

The Coronavirus Statutory Sick Pay Rebate Scheme (part of a package of support measures for businesses affected by Coronavirus) covers all types of employment contracts, including full-time employees; part-time employees; employees on agency contracts and employees on flexible or zero-hour contracts.

Employers will be able to make their claims through a new online service in respect of payments made to current or former employees for eligible periods of sickness starting on or after 13 March 2020 on condition that they have a PAYE payroll scheme that was created and started before 28 February 2020 and they had fewer than 250 employees before that date. Employees do not have to provide a doctor's fit note for their employer to make a claim under the scheme.

The repayment will cover up to 2 weeks of SSP and is payable in respect of employees who are unable to work because they have Coronavirus; are self-isolating and unable to work from home or are shielding because they have been advised that they are at high risk of severe illness from Coronavirus.
