PRO BONO REPORT – 2020-21

Oct 28, 2021

Bryan Cave Leighton Paisner is committed to making a real and lasting difference in the communities where we work; it's one of our firm's core values. We encourage all of our lawyers and legal staff to undertake *pro bono* work, whether in the traditional format of assisting individual clients or through innovative projects and initiatives. The firm has just released an 18-month report which is a sampling of the types of *pro bono* projects the firm handled in 2020 and the first half of 2021. This work took place during a particularly volatile time in the U.S. and globally, with communities worldwide disrupted by the ongoing COVID-19 pandemic and historic Black Lives Matter movement, and the repercussions of both.
