Foreign Direct Investment: key recent and future developments in Europe and the US

At a time of significant geopolitical challenges, many jurisdictions are looking at their investment screening regimes to ensure that they can adequately safeguard national security and public order. Within this context, there have been – or will likely soon be – significant changes to FDI regimes across the world. In this article, BCLP lawyers from Brussels, Hamburg, London, Paris and Washington DC explore current or forthcoming amendments to the FDI regimes in France, Germany, the United Kingdom, the United States and the European Union.
