BIOGRAPHY

Zofia has a wide range of residential and commercial real estate experience. She has worked with master developers and sub-developers on residential and mixed-use developments including branded residences and master communities in the UAE. She has also advised landlords and tenants across a range of leasing matters in respect of commercial offices and retail units.

Prior to moving to the region, Zofia worked at a Top 100 UK firm in London, where she acted for HNW individuals, investors and financial institutions in respect of leasehold and freehold transfers, off plan developments, leasing and re-financing.
