BCLP PARTNERS AUTHOR CHAPTER IN 'ICLG – TECHNOLOGY SOURCING' ON TECHNOLOGY SOURCING LAWS & REGULATIONS

Jul 26, 2022

BCLP Partners Chuck Hollis, Sean Christy, Derek Johnston and Anne Friedman authored a chapter in the second edition of the International Comparative Legal Guide – Technology Sourcing providing detailed answers to common questions raised by professionals dealing with technology sourcing transactions, including cloud computing and XaaS, AI and machine learning, blockchain, software licensing and both traditional and automation-enabled outsourcing transactions. The group wrote on market practices as they pertain to issues arising in and around these transactions, including procurement processes, pricing methodologies, service levels, dispute resolution procedures, intellectual property rights, limitation of liability and data protection and information security.

ICLG.com is a leading global platform for legal reference, analysis and news, hosting comprehensive comparative legal guides and research tools that cover law in more than 192 jurisdictions across 58 practice areas. External authors and information sources are selected only from the leading legal and business authorities.
