Jul 29, 2022

Litigation Partner Elodie Valette, BCLP Paris, authored an article in the July 2022 issue of the [Bulletin Rapide de Droit des Affaires](#) on food safety issues. This is an important topic today, as "recent food scandals have highlighted the risks associated with the marketing of non-compliant food products, or products that are likely to present a risk to the safety or health of consumers. The challenge for professionals is all the greater as they are faced with complex regulations," she stresses.
