## BIOGRAPHY

Megan Hawn takes a detail-oriented and attentive approach to her work in drafting contracts and handling transactions as part of the firm's Real Estate practice group. She focuses her practice on developing relationships with her clients and is thoroughly invested in working with them to advance their business goals.

Through her work as a project manager at a Los Angeles-based construction consulting firm prior to earning her law degree, Megan gained hands-on experience in the construction industry, and an understanding of a developer's perspective, something that aids in her current practice and furthered her interest in fostering community development.

Megan represents clients in transactions that span the globe and has experience in the areas of real estate acquisition, sale, management, development, and leasing.

Giving back to the community is important to Megan, and she has dedicated countless hours to working with indigent families through programs such as the San Diego Volunteer Lawyer Program (SDVLP). She was recognized for her work for SDVLP with the Wiley W. Manuel award from the State Bar of California. In addition, Megan has spent considerable time volunteering at a food pantry, providing food and other essentials to underserved and indigent residents in her community.
