Oct 28, 2022

BCLP UK Managing Partner Segun Osuntokun has appeared in the UK's Powerlist 2023 in partnership with J.P Morgan for the fourth year running.

The Powerlist, launched in 2007 to showcase Black role models to young people, is now regarded as the leading national authority on issues of Black influence. Now in its 15th year, the list honors high achieving men and women across a wide range of industries including business, science, technology, and the arts.

Osuntokun, included in the "Politics, Law and Religion" category, features alongside the UK's Shadow Secretary of State for Foreign, Commonwealth and Development Affairs, David Lammy, and former President of the Law Society of England and Wales, I. Stephanie Boyce.

Osuntokun said of his appearance in the list this year: "I am delighted to again be included in The Powerlist, which recognizes and celebrates the achievements of those with African, African American, and African Caribbean heritage. This list is an important acknowledgement of Black talent, and I am very pleased to be featured."
