T: [+44.\(0\) 20 3400 2363](tel:+44(0)2034002363)

BIOGRAPHY

Samantha is an associate in the firm's Business and Commercial Disputes department, with experience in international arbitration, commercial litigation, mediation, injunctions and judicial review. She has acted for a variety of clients in sectors including transport, sports and entertainment, aviation, and banking.

Samantha has experience working with global clients, having undertaken a secondment to work in a law firm in Dubai for six months. She has also been seconded to both a high profile public inquiry and to a local transport body, giving her insight into the challenges faced by in-house lawyers and public sector clients.

Judicial review against the FCA in Ithaca Energy case

ClientEarth has launched a judicial review against the FCA for approving a prospectus which ClientEarth claims contained inadequate climate-related disclosures. This is part of an increased use by environmental pressure groups of judicial channels to challenge companies - and now regulators - and to promote the transition to Net Zero. The courts of England and Wales have shown that they are willing to hear cases of this type and this trend is likely to continue.
