BIOGRAPHY

Yong Choi is an intellectual property lawyer who focuses on patent prosecution, counseling and portfolio management issues related to electrical and mechanical fields. He has extensive experience in patent prosecution, examinations, and the drafting of opinion for startups and multinational companies across the globe. Yong regularly provides the due diligence, freedom to operate and analysis around telecommunication devices and systems, photocopying and printing systems, semiconductor and liquid crystal display fabrication, e-commerce and database technologies, complex computing and machine learning systems, networking devices and protocols, digital imaging, software and mechanical devices.

Yong is considered an industry authority on digital televisions and associated IP and technology issues.
