Jun 16, 2023

BCLP lawyers were recognized for their exceptional experience across eight practice areas, from Real Estate to Corporate, to Restructuring and Insolvency to Banking and Finance. In total, the 15th edition of “The Best Lawyers in Germany” – an annual survey collaboration between US legal rankings *Best Lawyers* and German business newspaper *Handelsblatt* – has distinguished 16 BCLP lawyers in our German offices.

The firms featured in Best Lawyers’ listings showcase extraordinary professional skills and consistently garner outstanding ratings from clients and colleagues alike. The rankings are the result of a thorough months-long peer-review evaluation process during which researchers inquire about the professional abilities of their peers from specific practice areas and geographies.
