PARTNER REBECCA CAMPBELL JOINS REAL ESTATE BALANCE POLICY AND CAMPAIGNS COMMITTEE

Jul 13, 2023

Leading global law firm Bryan Cave Leighton Paisner (BCLP) announces the appointment of Real Estate Disputes partner Rebecca Campbell to Real Estate Balance's Policy and Campaigns Committee (PCC). Rebecca will serve a three-year term alongside other esteemed professionals, contributing her expertise and ideas to promote inclusion and diversity (I&D) initiatives and thought leadership within the industry.

Rebecca has demonstrated her commitment to driving positive cultural changes and promoting I&D throughout her time at BCLP. With over a decade of experience as a real estate disputes lawyer, Rebecca has made notable contributions to the field. She co-created the BCLP Amplify bespoke training and coaching programme, which supported women within BCLP's UK lawyer and business services communities to develop authentic and impactful communication skills. The success of Amplify led Rebecca to contribute to the creation and launch of Podium, a transatlantic programme that focuses on business development and high-impact presentation skills to benefit the next generation female leaders at BCLP and at client companies in Europe and US. In her previous role as chair of the Property Litigation Association's Education and Training Committee, Rebecca championed D&I by widening access to training opportunities for the association's 1,500 members across the UK.

Real Estate Balance is an industry organisation committed to advancing diversity and inclusion within the UK real estate sector. By facilitating collaboration, driving change, and offering thought leadership, Real Estate Balance works tirelessly to create a more inclusive and representative industry. With a membership comprising major industry stakeholders, including developers, investors, occupiers, and advisors, the organisation promotes equal opportunities and D&I at all levels of the industry.

Expressing her excitement about joining the PCC, Rebecca said, "It is an honour to be appointed to the committee. I am deeply passionate about advancing equality and inclusion in the industry and firmly believe that meaningful collaboration between organisations is the key to real progress. Real Estate Balance is at the forefront of this movement, and I am thrilled to work alongside my committee colleagues to create impactful campaigns and initiatives that support our members."

Suzanne Avery, Real Estate Balance co-founder and chair of the PCC, said, “I am pleased Rebecca has joined us at such an important moment for the PCC, and we look forward to leveraging her expertise, vision, and unwavering dedication to fostering an inclusive real estate industry.”
