PARTNERS PRESENT ON CHATGPT AND FUTURE AI LEGISLATION

Jul 14, 2023

BCLP Partners Amy de La Lama and Erik Kahn presented at a roundtable of US in-house counsel on June 27, where they considered the future of ChatGPT and AI. The presentation included a discussion on what companies can do to prepare for future AI legislation, predictive vs. generative AI, and where the technology is likely heading.

What Companies Can Do to Prepare for Future AI Legislation

- **Understand** the details of your AI used
- **Create** policies for use of AI within the organization
- **Delegate** AI governance to a particular group within the organizational structure
- **Prepare** to accurately explain AI systems within the organization to regulators or consumers
- **Analyze** the risk prior to implementation of a new AI system
- **Continue** updating and improving AI governance
