PARTNER QUOTED IN 'BLOOMBERG' ON ESG-RELATED LAWSUITS

Aug 08, 2023

BCLP Partner Ravi Nayer was quoted Aug. 7 by *Bloomberg's Daily Labor Report* on investors becoming more emboldened to file legal challenges against companies for their net zero claims, approaches to governance and other hot-button ESG issues, using a pair of underutilized provisions of a UK law. "It isn't now considered distasteful for the UK's largest financial institutions to enter into litigation" against a company, said Ravi. "For the right case, they will intervene." Large companies listed on the London Stock Exchange, including FTSE 100 members, are most likely to be targeted, with directors also vulnerable, Ravi added.
