STEPHANIE HOSLER WEIGHS IN ON OUTLOOK FOR DEAL ACTIVITY

Jan 11, 2024

St. Louis Partner Stephanie Hosler was featured in the recent edition of *The M&A Journal* as part of a year-end look at dealmaking and what the future holds. Steph offered her thoughts on increased deal activity and the outlook from companies. “More sectors of the economy are coming to life. AI is one example. “We’re seeing a lot of discussion around AI technology,” she said. “We’re also seeing this happening in defense, aerospace, the health sector and life sciences as well.” Strategics seem better positioned in this environment since they are not as dependent on financing, which remains a bit of a minefield.”
