TOM LEE QUOTED ON REGULATORY LANDSCAPE RELATED TO PFAS IN DRINKING WATER

Jan 24, 2024

BCLP Partner Tom Lee was quoted in *The Cost of Freeing Drinking Water from 'Forever Chemical'* published on Undark a non-profit, editorially independent digital magazine exploring the intersection of science and society. Tom offered his insight on the evolution of the regulatory landscape noting that drinking water standards in the US and elsewhere vary widely according to “interpretations of different agencies and how they view the same data and what concentrations they think are appropriately protective.”
