BIOGRAPHY

Rebecca is an associate in the Competition and Distribution team based in Paris. Rebecca represents clients before the French Competition Authority and the European Commission, as well as French and European courts.

She assists national and international companies in merger control, cartels, abuse of dominant position, restrictive practices, unfair commercial practices, as well as foreign direct investment (FDI).

Before joining the Competition and Distribution team in Paris, Rebecca has completed a 6-month internship with the Antitrust department of BCLP London.
