CLIENT INTELLIGENT CONVERSATIONS SERIES - WHERE IS DEI HEADED IN 2024?

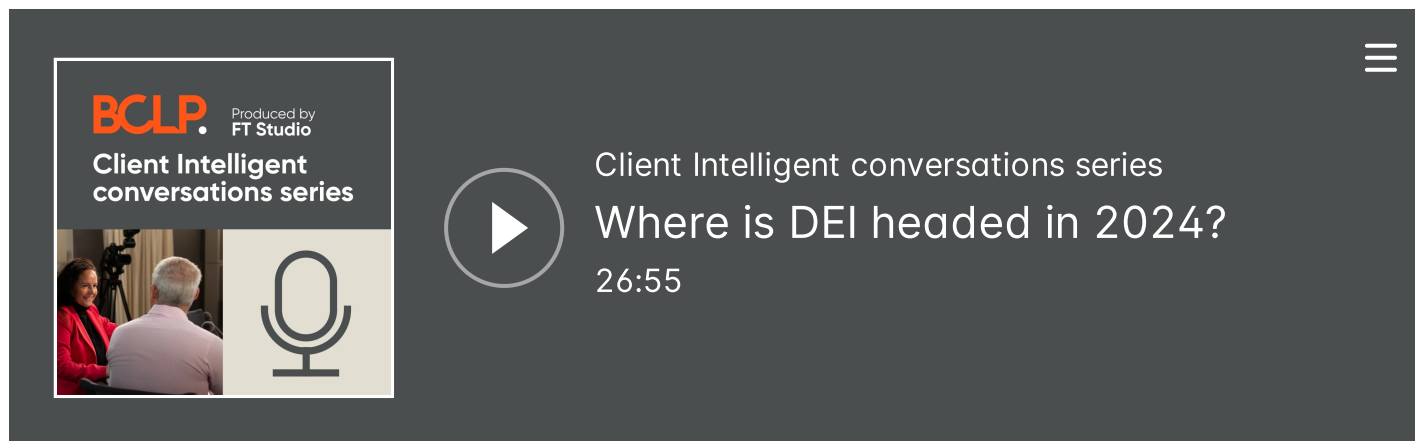

Apr 29, 2024

In this series produced by FT Studio, we bring together industry leaders, academia and BCLP to discuss the big issues and trends shaping the future of business.

EPISODE 1 - WHERE IS DEI HEADED IN 2024?

Game-changers in the field of DEI, BCLP Global Inclusion & Diversity Client Relationship Partner Daisy Reeves and Ken Janssens, co-founder of Windō and a former Chief Data Officer at J.P. Morgan, discuss whether DEI truly is at a critical juncture amidst economic pressures and changing political headwinds.

Hosted by award-winning journalist Nellie de Goguel, Daisy & Ken take a look at how DEI is transforming the way that we work, explain what people look for when choosing a job (here's a hint, values matter), and talk about what companies need to do to get it right.

The image shows a dark-themed podcast player interface. On the left, there is a square thumbnail with the BCLP logo, the text 'Produced by FT Studio', and 'Client Intelligent conversations series'. Below the text is a small photo of two people talking and a microphone icon. To the right of the thumbnail is a large play button icon. Further right, the text reads 'Client Intelligent conversations series' and 'Where is DEI headed in 2024?' with a duration of '26:55'. In the top right corner of the player, there is a hamburger menu icon.

COMING SOON: EPISODE 2 - CAN REAL ESTATE INVESTMENT DELIVER MORE THAN JUST BRICKS AND MORTAR?

Hosted by award-winning journalist Nellie de Goguel, BCLP Real Estate Partner, Chris de Pury, joined by industry peers, debates key questions including what is needed to accelerate investment in

“green” buildings and how do real estate investors future-proof their assets? And how does society grapple with the dual and conflicting phenomena of a rapidly urbanizing society, and advancing climate change?
