2023 BCLP PRO BONO REPORT

Jul 16, 2024

At BCLP, making a real and lasting difference in the communities we call home is one of our core values. For our lawyers and other legal professionals, that means having a special obligation to make our professional skills available to address the needs of the underserved and to advocate for the protection of human rights, civil rights and liberties, and public rights.

In 2023, our lawyers and legal professionals contributed thousands of hours to hundreds of pro bono matters. In each instance, we were pleased to provide pro bono assistance that, in many cases, was literally lifesaving and, in all cases, was life-changing. [Our 2023 report highlights some of that work.](#)
