BIOGRAPHY

Flore advises french and foreign private and corporate clients.

Flore's tax practice includes all corporate and individual tax issues, including real estate investments and transactions, financial products, day-to-day tax management and relations with the tax authorities. Flore also advises clients on mergers and acquisitions and intra-group reorganisations.

Flore joined BCLP in September 2024 after two years' experience as a legal clerk in an international law firm in a department dedicated to real estate taxation. Flore is a member of the Paris Bar since February 2025.
