

ISRAEL

With deep ties and specialized experience, BCLP has earned a reputation as a 'go-to' international law firm for more than 200 Israeli/Israel-related corporates, financial institutions, family offices and their advisers. We have an in-depth knowledge of the cultural and legal considerations of Israel's business landscape across a wide variety of sectors including aviation, banking/financial services, energy, food & beverages, hotels, infrastructure, real estate, shipping, technology and water.

Our multidisciplinary Israel Group features lawyers practicing worldwide. Together, they advise clients on M&A and corporate finance, capital markets and securities, data privacy and security, commercial, banking/finance, litigation and arbitration, IP, employment and real estate.

Our representative office in Tel Aviv works closely with the firm's Israel Practice to support business development, enhance client relationships and provide a touchpoint for the Israeli market. The representative office provides us with the on-the-ground support needed to further consolidate BCLP's position as the "go-to" international law firm for Israel-related legal advice.

London: The Optimum IPO Venue for Israeli Growth Companies

For the vast majority of Israeli and Israel-related companies considering an IPO, London should continue to be the venue of choice. London has greater access to capital and liquidity than the Tel Aviv Stock Exchange and lower barriers to entry than US markets, as well as greater opportunities for index inclusion. The common narrative in the media that valuations in US capital markets are superior does not fully reflect the reality. While some of the largest and most successful companies have achieved attractive valuations in the US^[1], a US IPO is realistic only for the very largest Israeli private companies. Furthermore, for the vast majority that have chosen this route in recent years, post-IPO share price performance has been extremely disappointing. Whilst the geopolitical situation for Israeli and Israel-related companies is currently challenging, we expect that, once the situation stabilises, there will be increasi...
