Selection is based on a peer-review survey in which leading lawyers cast votes on the legal abilities of others in their specialties. Nearly 108,000 industry-leading lawyers are eligible to vote (from around the world), and the publication has received more than 13 million evaluations on the legal abilities of other lawyers based on their specific practice areas around the world.

Best Lawyers' peer-reviewed listings are now published in more than 70 countries, and their presence has grown substantially in the international legal community. Since it was first published in 1983, Best Lawyers® has become universally regarded as the definitive guide to legal excellence.
