BIOGRAPHY

Aron Leimbach is a Senior Associate in the Real Estate practice group. He advises German and international clients on all aspect of real estate law, focusing on national and cross-border transactions, project developments, and real estate asset management.

Prior to joining BCLP, he worked at another leading international law firm for several years, specialising in real estate law.

Aron studied law at Bucerius Law School in Hamburg and at Sciences Po in Paris. He also holds a degree in Philosophy, Politics and Economics from Oxford University. During his legal training, he worked at the Max Planck Institute (MPI) for Comparative and International Private Law in Hamburg, the MPI for Tax Law and Public Finance in Munich, and at UNIDROIT in Rome, focusing on capital markets and securities law.
