BCLP is recognized by Chambers and Partners in the [Crisis & Risk Management Guide 2025: Global-wide](#) for our work in the Environmental, Social & Governance Risk (Law Firms) category for the fifth consecutive year.

Our firm's ESG practice, comprised of legal advisors across a wide array of legal disciplines and sectors, is now led by Paris Partner Roland Montfort. Global mandates cover environmental projects, sustainable finance deals, green loan projects, supply chain risk management, governance and reporting matters.

Our work relating to the shareholder class action against Glencore Plc, led by Partner Ravi Nayer, has been recognized in this year's guide.

Our clients believe that we showcase "*a personal touch*", have "*effortlessly flexed the size of the team to meet the deadlines*" and "*provide thorough and complete legal analysis of all matters*" in a fast paced environment.
