BIOGRAPHY

Dr. Raffaele Mazza is a Counsel in our Real Estate team in Berlin.

He advises German and international clients on commercial real estate transactions, the acquisition and sale of real estate portfolios, as well as on all matters relating to corporate real estate and legal asset management. His practice focuses particularly on real estate acquisition law and commercial tenancy law. He has extensive industry knowledge in office buildings, retail properties, business parks, residential real estate, hotels, warehouses and logistics centers, onshore wind farms, and nursing homes.

Before joining BCLP, Dr. Raffaele Mazza worked for several years at various international law firms. He studied law at the University of Trier and the University of Sheffield and earned his doctorate at

Freie Universität Berlin with a thesis on "Mistake of Law and Reliance on Legal Advice in European, German and French Antitrust Law."

EXPERIENCE

Prior to joining BCLP:

- Several well-known German e-commerce companies on leasing their newly developed headquarters in Hamburg and Berlin.
- A leading international asset manager on the acquisition of five office properties in Munich and Berlin, as well as on the sale of a nine-property office portfolio in Munich (including asset, share, and forward deals).
- An international conglomerate on the acquisition of multiple hotel properties in Hamburg and Berlin.
- Various international investors on the acquisition and development of logistics properties across Germany.
- A leading international asset manager on leasing and legal asset management matters (including new leases, amendments to lease agreements, and disputes) relating to several office buildings in Germany.
- Foncia Pierre Gestion on the acquisition of Schloss Krickenbeck near Nettetal and Schloss Rothenbuch near Frankfurt am Main.

- BNP Paribas Real Estate on the acquisition of the new L'Oréal headquarters in Düsseldorf.
- Cofinimmo S.A. on the acquisition of several care home properties in Calau and Chemnitz.
