BIOGRAPHY

Suhail is an Associate in the Financial Services Disputes and Investigations team, where he advises clients on a broad range of contentious and regulatory matters, with a particular focus on internal investigations and enforcement actions across the financial services sector and wider corporate landscape.

His experience includes supporting clients through complex multi-jurisdictional investigations involving allegations of fraud, market abuse, bribery and corruption, and corporate misconduct. Suhail has worked on matters involving multiple regulators, including the Serious Fraud Office, Financial Conduct Authority, and the National Crime Agency. His work has included drafting self-reports, managing dawn raids, and contributing to whistleblowing investigations and ABC risk assessments.

He also advises various cryptoasset entities, combining technical insight with a clear understanding of the regulatory and operational needs of firms in the sector. His work includes FCA compliance, AML/ABC frameworks, financial promotions, crypto-litigation, and asset tracing; helping clients navigate evolving regimes.

Before joining BCLP, Suhail trained at a leading international law firm, where he gained experience across litigation, tax, corporate transactions, and intellectual property.
