BCLP NAMED IN BTI'S 2026 LIST OF GEN AI STANDOUTS

Oct 17, 2025

As generative AI continues to influence how litigation is conducted, BTI Consulting has assessed how firms are adapting and integrating these tools. Its latest list, which tracks the law firms best using generative AI in litigation, highlights firms that are making meaningful progress – and we're pleased to be named among them.

BCLP was specifically named one of the ['Gen AI Distinguished 2026'](#) firms.

This recognition reflects the work happening across our teams to explore and apply AI responsibly in litigation to improve efficiency in discovery and enhance strategic decision-making.

Global Chief Information Officer **Dan Surowiec** commented, "It's great to see our evolving AI litigation tools and capabilities attracting attention from the legal industry and clients alike. This recognition affirms that our investments are delivering better outcomes and enhancing the level of client service we provide."

The BTI Consulting Group is a leading research firm that analyzes client feedback and market trends to identify top-performing law firms. Their rankings and insights are a trusted benchmark across the legal industry.
