LINDSAY AGGARWAL FEATURED IN LAW.COM BYLINE ARTICLE ON IMPORTANCE OF PARENTAL LEAVE

Dec 01, 2025

Partner Lindsay Aggarwal, who spearheaded BCLP's Parental Leave Program, was featured in a Law.com commentary article discussing the importance of supportive parental leave programs. Since Lindsay founded the firm's program in 2024, dozens of lawyers have taken advantage of the parental leave program, including almost as many men as women.

In the article, **Parental Leave Coaching Program Has Proven Impactful to Both Women and Men**, Lindsay discusses the importance of extended parental leave for fathers, which leads to stronger bonds between father and child and fosters a more dedicated and productive workforce. Citing evidence throughout the article, Lindsay discusses the pressures many legal professionals, and particularly men, feel when taking parental leave and how firms can provide additional support and resources for families.
