## **BCLP'S CHRISTINE GRAHAM FEATURED ON TRUST AND TRADE PODCAST TO DISCUSS UPCOMING CHANGES TO THE EU FDI SCREENING REGULATION**

Feb 03, 2026

BCLP Partner Christine Graham was featured as a guest speaker on [Trust and Trade](#), a podcast produced by the Antitrust Law Section of the American Bar Association.

In episode #55, *Foreign Investment in the EU*, which is produced and co-hosted by the Foreign Investment and National Security Committee of the Antitrust Law Section, Christine joins Andrew Hill (AmCham EU) and Anant Raut (host of Trust and Trade) to explore the anticipated changes to the EU's FDI Screening Regulation following the political agreement reached by the EU co-legislators on 11 December 2025. The podcast looks at the evolution of FDI screening in the EU, the key drivers behind the anticipated changes, and what it all means for businesses seeking to invest in the single market.

Drawing on her extensive experience advising on complex multijurisdictional FDI matters, Christine explains the key drivers behind the EU's revised framework, including efforts to protect critical technologies and promote greater consistency across EU Member States.

This episode is essential listening for organisations navigating the rapidly evolving landscape of EU foreign investment control. Watch the episode here:
