# BCLP ADVISES LENDERS ON £220 MILLION DEVELOPMENT FINANCING OF PADDINGTON OVER-STATION OFFICE DEVELOPMENT

Feb 19, 2026

BCLP has advised institutional investors as lenders on the £220 million development financing of the Paddington Over-Station Development (OSD), an office scheme in development by a joint venture between Helical Plc and Places for London.

The financing will fund a landmark 235,000 sq ft new-build office development positioned directly above the northern entrance to Paddington station, adjacent to and overlooking the Grand Union Canal. Once complete, it will offer exceptional transport connectivity with immediate access to the Elizabeth Line, London Underground and National Rail services, while also contributing to the continued transformation of the wider Paddington regeneration area. Main works will commence in Q2 2026 with practical completion targeted in Q3 2028.

The joint venture has placed sustainability and occupier experience at the core of its designs at Paddington. The scheme has achieved BREEAM Outstanding at the design stage with a score of 97.4%. It is also targeting WELL Shell & Core Platinum, EPC A, and a NABERS 5.5\* rating.
