## **IS THE UK LEVERAGED FINANCE MARKET FAST BECOMING AMERICANIZED?**

Mar 05, 2026

Is the UK leveraged finance market becoming Americanized?

As US sponsors and lenders increase their activity across Europe, we're seeing a clear convergence in deal terms and expectations. Concepts that once felt distinctly American are now increasingly being adopted across the UK market landscape.

In this environment, having advisers with genuine transatlantic leveraged finance capability is essential. At BCLP, Lerika Le Grange, Bart Wall, and the wider team can help advise clients through this shift, drawing on experience across both UK and US market practices.
