Apr 01, 2026

BCLP has once again been recognised in the 19th edition of the Global Arbitration Review 100, singled out for its expertise in investor state and commercial arbitration mandates.

The GAR 100, published annually, is widely recognised as the definitive ranking of the world's top international arbitration firms. Rankings are based on a comprehensive assessment of each firm's arbitration activity over the research period and the calibre of the arbitration team.

The BCLP team was singled out for its Middle East expansion in the Saudi Arabian cities of Riyadh and Al-Khobar, led by **Othman Alshmry**. **Richard Dupay** and **Roman Khodykin** are also highlighted for supporting the regional offering in Saudi and the UAE as is **Shivani Sanghi** for her burgeoning India Practice.

Partner **Roman Khodykin** commented, "We are delighted that our international arbitration team has been recognised in GAR. It is a testament to the expertise of the whole team that clients place their trust in us to handle their most important disputes. We look forward to continuing to build on this well-deserved recognition, delivering value to our clients when arbitrating complex international disputes."
