BCLP ADVISES LENDERS ON €20 MILLION PLUS FINANCING FOR EQUISOLAR

Apr 30, 2026

International law firm BCLP advised Crédit Agricole Nord de France and Bpifrance on an over €20 million finance structuring granted to Equisolar, aimed at supporting the construction of a portfolio of approximately 70 rooftop photovoltaic power plants installed on equestrian centres.

Equisolar, is is a joint venture created in 2024 between Eiffel Transition Infrastructure and Concept Sol.

These facilities will be primarily deployed on equestrian centres across Northern France, representing a total installed capacity of nearly 30 MWp. Once fully operational, the portfolio is expected to generate electricity equivalent to the consumption of approximately 6,000 households.

The BCLP team advising the lenders included Partner **David Blondel**, Senior Associate **Gwenaël Fassot**, and Associate **Fabien Lambert**, on financing aspects, and Partner **Jean-Pierre Delvigne** and Senior Associate **Maryne Gouhier**, on energy law aspects.
