## **DOUG MISHKIN DISCUSSES SPORTS-RELATED CONTRACTS WITH CASINOBEATS**

Jul 02, 2026

Doug Mishkin, a partner in BCLP's Technology, Commercial and Data practice, recently spoke with [CasinoBeats](#) about a Michigan judge ruling in favor of the Attorney General to ban Kalshi, a prediction market platform primarily used for sports betting, from sports contracts in the state.

In the article, Doug called the ruling "notable," but said it doesn't change the underlying issues in litigations across the country, which remain unresolved.

Doug represents clients across a range of industries, from sports leagues and professional teams to international gaming companies, data distributors and consumer brands, negotiating and closing their largest, most complex commercial deals.
